

Association of Concrete Industrial Flooring Contractors

APPLICATION FOR MEMBERSHIP

ACIFC is the representative organisation for contractors, material suppliers and service providers involved in the construction of concrete industrial floors in the UK.

There are three categories of ACIFC membership:

Contractor Specialist Contractors engaged in the construction of in situ ground floor internal concrete slabs.

Associate Suppliers engaged in the supply of specialist products:
a) materials such as concrete, additives, mesh reinforcement, jointing, topping and curing, finishing, measuring and control equipment
b) plant and equipment
c) technical design services, floor measurement surveys and testing

Specialist Associate Other individual or corporate organisations including engineers, specifiers and architects that support the aims of ACIFC or undertake assignments which further the interests of ACIFC or the industry.
